Logging into Read & Write Browser Extension

In order to utilize the full functionality of the Read & Write browser extension, users must be logged in using the SD71 login accounts.		
1	Log into computer Open Edge browser located at the bottom of the computer on the taskbar.	
2	Click on R&W purple puzzle piece located just to the right of the URL (website address) bar.	
3	If it prompts you to sign in, use “Sign in With Microsoft”. Use your SD71 email address Students: student#@learn71.ca	
4	To use the toolbar, make sure you’re in a website that has “text-based” content.	 
5	OR an O365 online app: Edge > MyApps > Word	
6	Click on Read & Write icon again and the tool bar will be displayed and ready to use.
