IPAD APPS STUDENT LEARNING TOOLS

The apps listed below are loaded on all SD71 iPads and will help ALL students access and engage in educational experiences on iPads/iPhones.

Comox Valley Schools
A Community of Learners
INNOVATIVE • INQUISITIVE • INCLUSIVE

Seeing AI

Hover device camera over text, documents, handwriting, scenes, objects or people to have it spoken out loud.

Seeing AI | **Read** | **Hover>Read Short Text** | **Capture>Read Document** | **Handwriting**

Tip: Crop text with paper so the app knows what to read.
Change language under iOS Settings > Seeing AI > Language

INCLUSIVE EDUCATION
EMBRACING DIVERSITY

If universal tools aren't helping, contact the LST or Inclusive Ed Tech department for other options.
