

Core Competencies

Connect and engage with others (to share and develop ideas)

I recognize that there are different points of view and I can disagree respectfully.

Acquire, interpret and present information (includes inquiries)

I can understand and share information about a topic that is important to me.

Analyze and critique

I can analyze my own assumptions and beliefs and consider views that do not fit with them.

Question and investigate

I can ask open-ended questions and gather information.

Contributing to community and caring for the environment

I can participate in classroom and group activities to improve the classroom, school community or natural world.
