

= character

= narrator

Using two colours, highlight the two parts of dialogue:
what the narrator says and what the character says.
Based on the book, Mars Needs Moms by Berkeley Breathed

Name:

"Up to bed! Now!" she thundered.

"Tyrant!" barked Milo.

"No supper!" said his mother.

As she left his room, Milo yelled, "I sure don't see what's so special about mothers!"

She looked at him, smiling, and said, "I'll love you to the ends of the universe."

"Help her!" he yelled angrily.
