

My Special Place in Nature - Self Assessment

Name: _____

Learning Intention: Students will share their personal thoughts and feelings about a natural place that is special to them.

	A Start	Coming Along	That's It	I could teach this
				
<ul style="list-style-type: none"> I can use my senses to describe what I see, hear, smell, taste, and feel 				
<ul style="list-style-type: none"> I can use descriptive words in my writing 				
<ul style="list-style-type: none"> I can describe how I am connected to a special place in nature 				

Reflection

One thing I did well:
One thing I could improve (Growth Mindset Goal):

My Special Place in Nature - Planning Page

Name: _____

Create a web to brainstorm ideas for your writing. What do you see, hear, smell, touch, feel (emotions) in your special place? Why do you feel connected to your special place?
