

Canvas Student User Guide

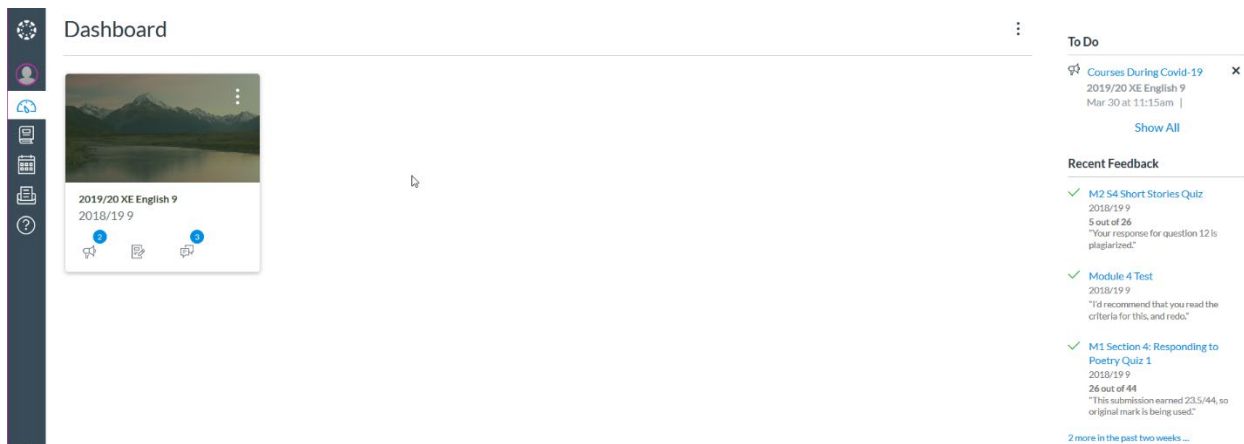

Logging in to Canvas:

To log in to Canvas, you use the same username and password as you would use to log on to a computer at school.

Go to: <https://comoxvalleyschools.instructure.com/>

Enter your SD71 email as your username. Go to the next screen and enter the password you use at school to get on to your computer. If you have forgotten this password, contact your teacher and they can help you recover your password.

You should now be logged in to Canvas, and it should look something like this:

Here is what you are looking at:
