Picture Book Format

Encounter

by Jane Yolen, c1992 (IL: 3-6, RL: 4.9)

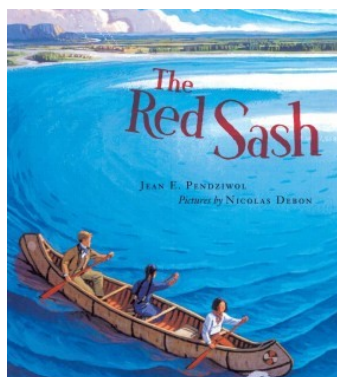

"When Christopher Columbus landed on the island of San Salvador in 1492, what he discovered were the Taino Indians. Told from a young Taino boy's point of view, this is a story of how the boy tried to warn his people against welcoming the strangers, who seemed more interested in golden ornaments than friendship."
- Pub.

The Rabbits

By Shaun Tan, c2010

"*The Rabbits* offers a rich and immensely valuable perspective on the effect of man on his environment. Visually loaded and told with a passion for truth and understanding, it aims to promote cultural awareness and a sense of caring for the natural world."
