10	Note: if you see a <b>Green e</b> under a title, it is a <u>Follett</u> ebook. When you click <b>Open</b> it will open in <u>Follett's platform</u> . If you see a <b>blue e</b> under a title, it is an <u>Overdrive</u> ebook. When you click Open it will open in <u>Overdrive's SORA platform</u> .	<i>Note:</i> The advantage of doing a Catalog – Destiny Discover search for ebooks and audiobooks, as opposed to just clicking on SORA on the library home page, is that you will pull up every single ebook and audiobook we own, whether from Follett or Overdrive. You will also pull up all print titles in your library, all through one search. If you click on SORA on the library home page you will only access the Overdrive ebooks and audiobooks. The look and feel of the SORA platform, however, is very visually appealing, and has some extra bells and whistles.

Check with your Teacher Librarian if you require support in using or accessing digital titles.
