

## Emailing ARC-BC PDF, Opening the PDF in Voice Dream Reader app (iPad)

1	<p>Before you begin download the ARC-BC file and save it to your computer. In this example the file has been downloaded and saved to the Desktop.</p>	
2	<p>Open your email. Choose a destination email address that will open on the iPad. Type the name of the book and chapter in the subject line.</p>	
3	<p>Click on the Insert Tab. Locate Attach File. Click on Attach File. This won't work for zipped files so you will have to extract the files first.</p>	

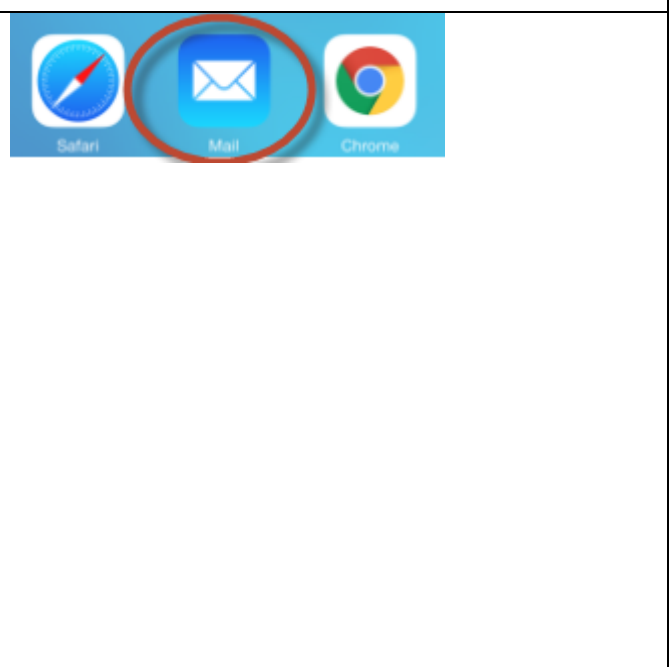

4 The Insert File window opens. Locate the saved ARC-BC file. In this example the file has been saved to the Desktop. Locate and click on the Desktop. From the list of files locate file. Select the desired file. Click Insert.

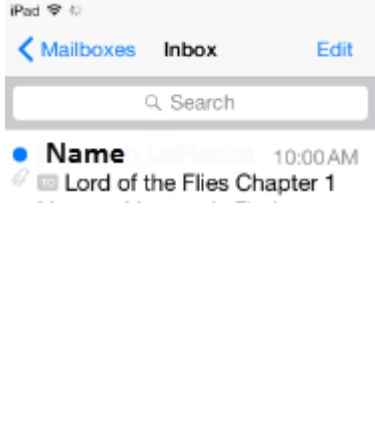

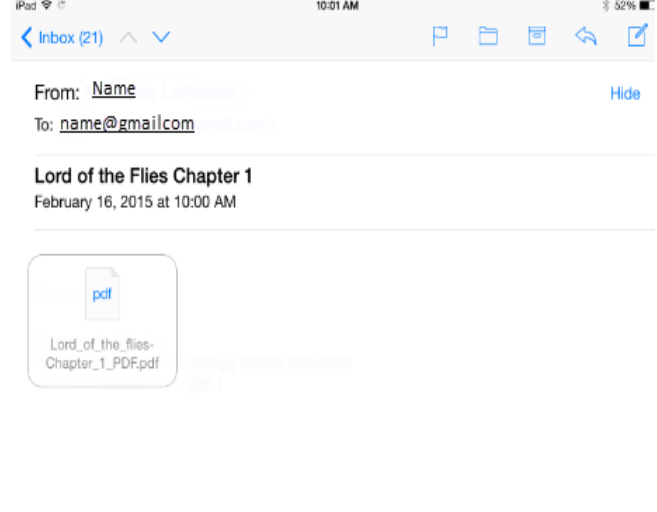

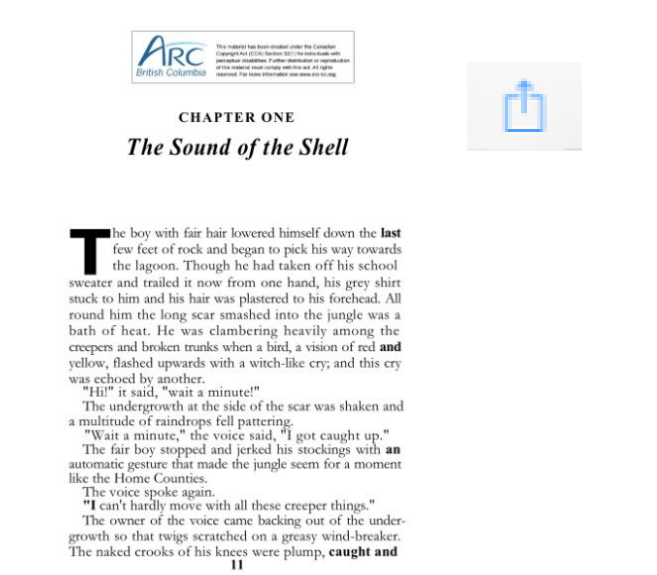

5 The file is now attached to the email. Click Send.

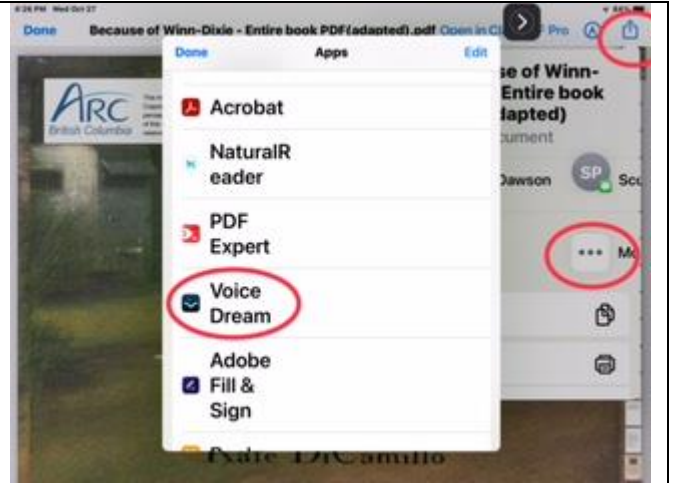

6 Tap the Mail icon on the iPad.

7	Locate and tap the email that has the attached ARC-BC file.	
8	The email opens. To open the file tap on the file.	
9	The file opens. Tap the page. Locate the blue rectangle with the up arrow in the top right-hand corner.	

10

A list of the available apps that will work with this file will appear. Select the app you want to open the file in. In this example **Voice Dream Reader** is selected. You might have to click the ...More option to find the app you are looking for.

11

Congratulations! You are now able to use Voice Dream Reader app on the iPad to read aloud a file and change text preferences for an easier reading opportunity.
