

Framing Assignment

You are to build this structure in a group of 3!

Each person is to do a section of the build (and will be marked for their portion)

- Person A - Floor, End Walls
- Person B - Door Wall
- Person C - Window Wall

You need to communicate with each other to ensure teh build is going correctly

Once all sections are built, you are to assemble it.

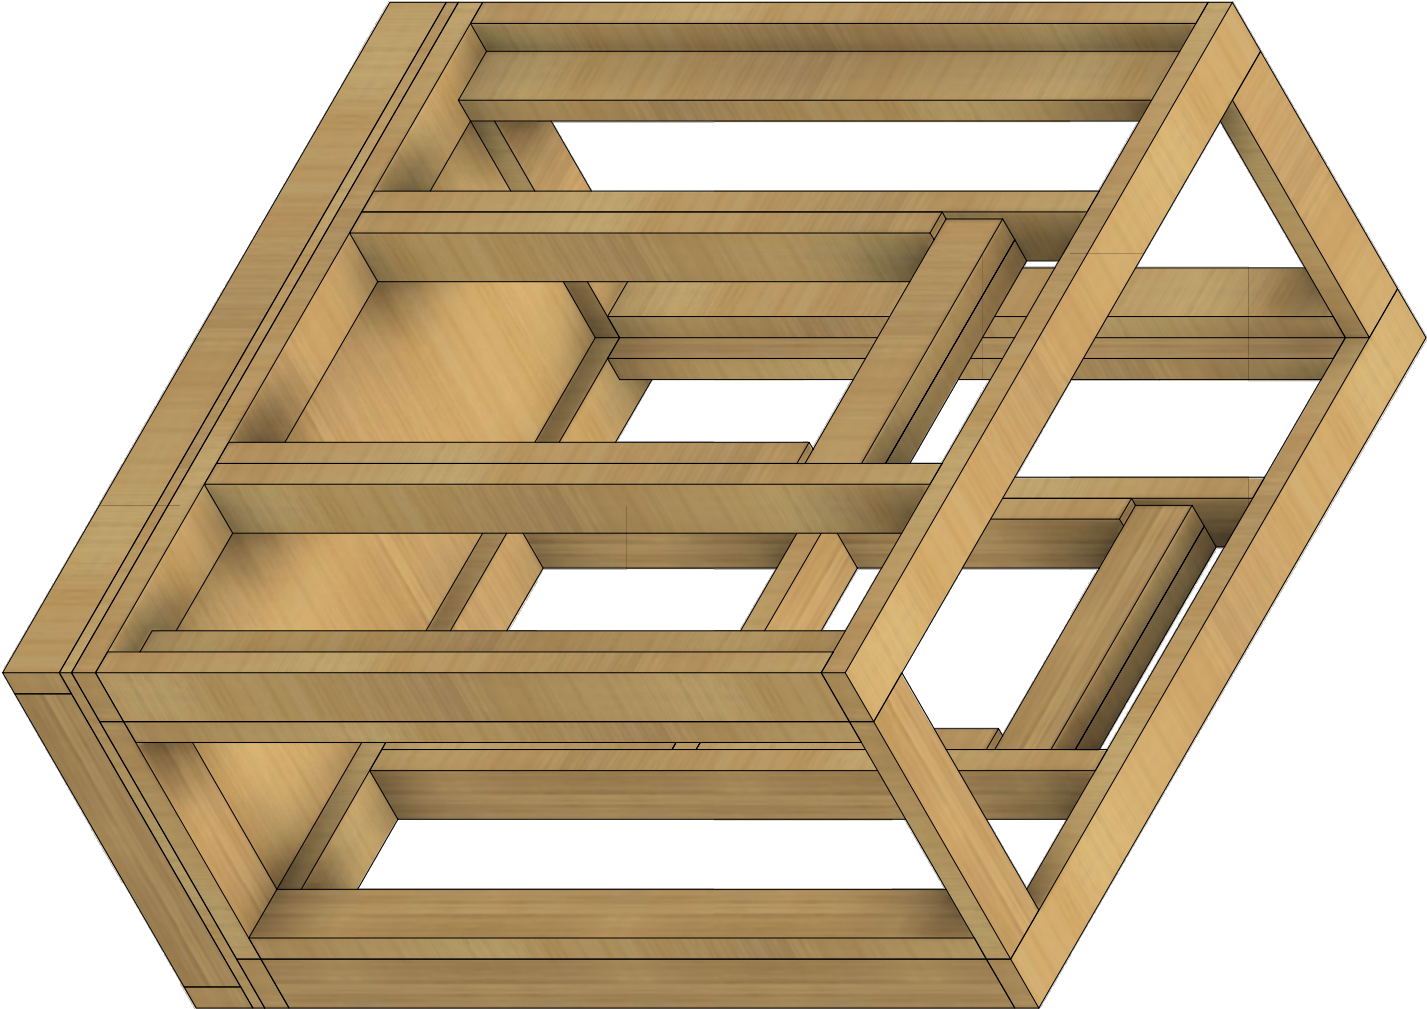

You will use the attachyed Plans to build it

Work Crew

Person A = _____

Person B = _____

Person C = _____
