

Senior Woodwork END OF SEMESTER Student Assessment 2026

Name: _____

Date: _____

The ability to be honest with yourself is more important than any grade you will ever receive. It empowers you with the ability to see what you are doing well and identify areas where you can improve. It allows you to see strengths as successes and weaknesses as opportunities.

Self-evaluate by checking the honest and accurate achievement level for the following learning “target”.

What is/was/were your Term 2 projects?

How many weeks did it take
(10 weeks in a term/50hrs)?

- 1) _____
- 2) _____
- 3) _____

General Skills/Knowledge

Self - assessment	Emerging	Developing	Proficient	Extending
	Initial Understanding/Ability	Partial Understanding/Ability	Complete Understanding/Ability	Exceptional Understanding/Ability
Demonstrate Safe Work Practices (<i>wears safety glasses, guards on machines, no horsing around, etc</i>)	Opportunity for growth. Little regard to safe work practices demonstrated. Immediate improvement in this area is essential!	Opportunity for growth. Reminders needed, at times, to maintain safe work practices.	Area of strength. Consistently demonstrates conscientious safe work practices. Good job!	Area of strength. Always maintains standards for safe work practices with regard to self and others. Exceptional awareness demonstrated!
Demonstration of Machine/Equipment Understanding	Opportunity for growth. Still unsure of how to use the machines to make projects (Jointer, Planer, Mitre saw. Table saw)	Opportunity for growth. Understands most of the machines, but still not 100% confident in how to use them safely. Needs reassurance and demo still.	Area of strength. Understands the use/function of each machine and how to use them safely and effectively.	Area of strength. Is confident in how to use the machines safely and understands dangers associated with the use. Teacher has confidence in me
Understand & follow procedures/ instructions	Opportunity for growth. Little attention given to receiving instruction and or following written procedures. Improvement in this area would greatly assist with safety and/or efficiency.	Opportunity for growth. Needs frequent assistance despite having received instruction or read written procedures.	Area of strength. Asks questions when appropriate, actively listens to instruction and make good effort to follow provided procedures. Good job!	Area of strength. Rarely needs assistance. Listens very well to instruction and carefully follows written procedures. Excellent work!
Completing Plans/Drawing	Opportunity for growth. Struggles to use Fusion and needs a lot of help to create a set of plans for each project and/or does not want to.	Opportunity for growth. Completes plans, but needs help regularly to complete them	Area of strength. Can use Fusion to create a set of plans that can be worked from.	Area of strength. Easily creates plans that can be worked from and needs to assistance.

Personal Traits

Use of class time (focus, on task)	Opportunity for growth. Rarely on task, much assistance needed to maintain focus. Regularly arrives late, misses classes when could be present, sits down at the beginning of the class, pulls out the phone on a regular basis (every class), likes to have lots of conversations without any work being done.	Opportunity for growth. Improvement in this area would be of benefit as it would improve task completion. Likes to pull out the phone most periods and use it to be off task, will sit around when could be working several times a week, misses classes, when could be present, etc.	Area of strength. On task most of the time. Little, if any, prompts required to use the class time wisely	Area of strength. Always on task. Excellent use of time and extra time to complete other projects or start on the next!
Efficiency and Attention to Detail	Opportunity for growth. Always rushing things, not taking the time to plan or write out or even read instructions/processes. Wastes material due to constant mistakes. Would rather not ask for help as you believe you know what you are doing	Opportunity for growth. Rushes through the project, still makes mistakes, but they are minor. Quality of project could be better if slowed down a bit, paid more attention to detail to complete it.	Area of strength. Does not rush things, but also works efficiently. Measures twice and cuts once to rarely make a mistake. Project comes out nice	Area of strength. Very efficient, does not make mistakes, project comes out exactly the way it should.
Task completion (Planning – Fusion Plans, Bill of materials, Project)	Opportunity for growth. Tasks started, minimal completed or what is completed is nowhere near what should be completed in an entire term.	Opportunity for growth. Main tasks (Fusion drawing, Bill of Materials & Projects) are pretty much completed, but not properly...	Area of strength. All assigned tasks for a project completed and to a sufficient level. Great work!	Area of strength. All tasks completed to an exceptional quality.
