

Explore **Canada's** history, culture, and resources through trusted information and innovative research tools. In addition to a powerful search option, curated topics offer multiple perspectives and formats.

CONTENT HIGHLIGHTS

Each **topic page** includes varied formats and perspectives.

Topics are explored through **images, audio, magazines, news, and websites**, as well as **encyclopedia and journal articles**.

ISSUES AND TOPICS

Over **1250 topics** are themed into areas such as government, literature and the arts, and science and health.

Social issues include the Site C Dam, LGBTQ+ Equality, and Truth and Reconciliation. **Historical topics** include the Halifax Harbour Explosion, Oka Crisis, and Komagata Maru.

PEOPLE AND PLACES

Canada features **comprehensive biographies** of well-known Canadian and international writers, artists, actors, athletes, politicians, and activists.

Geographic profiles are available on countries, provinces, territories, and Canadian capital cities.

POWER SEARCH

Power Search provides for unified search across all three of the Gale in Context products. Power Search for publications or content and maximize your results!

Topic Finder generates a visual cluster of search terms. Identify trends, find related topics, and refine research strategies.
