

Global Issues delivers international coverage of a broad spectrum of global issues, topics, and current events. Gain international perspective on complex worldwide concerns.

COUNTRY OVERVIEWS

Click the map or use the drop-down menu to select a country.

Country overviews include local and international **news articles, videos, and primary sources** analyzing environmental issues, foreign affairs, global trade, and more.

EXPLORING ISSUES

Viewpoint articles explain **different points of view** for current events and issues.

Students can **analyze content**, address claims and counterclaims, and provide rebuttal.

AVAILABLE CONTENT

Multimedia includes **pictures, videos, podcasts, and other audio files** in addition to recent **news and magazine coverage and analysis**.

Statistics, graphs, and charts can be used to support arguments.

POWER SEARCH

Power Search provides for unified search across all three of the Gale in Context products. Power Search for publications or content and maximize your results!

Topic Finder generates a visual cluster of search terms. Identify trends, find related topics, and refine research strategies.
