Teacher:

Read Around the World

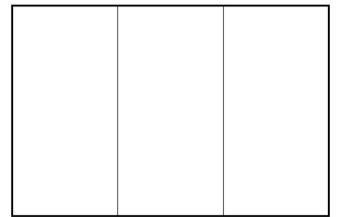

In the Spring Global Reading Challenge!

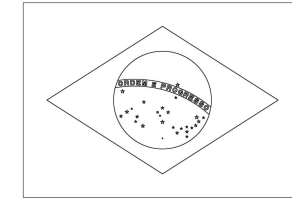

Every time you dive into a book from a new country, grab those crayons and color in that country's flag! The flags will act as passport stamps. Don't forget to jot down the book title for your literary world tour passport! Hand it in to your teacher by !

All students will have a goal of reading **at least 6 of the books** from the lists provided.

Grades K-3 will be able to select books from the list of picture books.

Grade 4 - 7 you can choose up to 3 books from the list of picture books, and then read the rest from the novel list. Your teacher reading a book aloud also counts towards your passport stamps!

If you know of a title not on the list, that goes with one of the flags on the passport, you are welcome to put the title of it under the flag to show you read it!
