

How to Access Student Email

1

Visit our school district webpage:
www.comoxvalleyschools.ca

2

Click on **Utility Links** at the top and then on **Office 365**.

3

At school this will automatically go to your **Office 365** account.
At home use your school email address (Student#@learn71.ca) regular password that you use to log in to your computers and email at school. If you can't remember these please contact your teacher or school administrator.

4

You will now see all of the Microsoft Office 365 apps available to you. Students will also find their email here.
