

Learning Outdoors

Image	Description
	<p>https://www.hctfeducation.ca/lessons-more/</p> <p>This is a great site for printables and ideas around a variety of science topics utilizing the outdoors, to give purpose to your outdoor education. The resources are geared towards teachers, but are easily adaptable to parents and caregivers. All resources and activities are aligned with the current BC curriculum.</p>
	<p>https://www.comoxvalleyrd.ca/parks-recreation/parks-trails-beach-accesses</p> <p>Try exploring a new walk or area weekly with your family.</p>
 <p data-bbox="391 814 753 909">Nature Based Activities for the yard or local nature space</p>	<p>http://learn71.ca/environmental-outdoor-learning-eol/</p> <p>Explore some fun outdoor learning activities here.</p>
