The image shows a perspective view down a library hallway. On the left, a tall metal shelving unit holds numerous white boxes, some labeled 'ACADEMY'. On the right, another shelving unit is filled with books and folders, including one titled 'Quality Lesson Plans for Outdoor Education'. In the center, a polished floor reflects the overhead lights. A red 'EXIT' sign is mounted on the wall above a doorway. In the background, a blue cart is parked near a 'MEETING ROOM' sign. To the right, a door is partially open, with a sign above it that reads 'Juniata' and 'Bridges'.
