

Putting Reading Progress Video into ePortfolios

After students record themselves reading in Microsoft Reading Progress share the video with their family by placing it in their ePortfolio.

Steps:		
<p>1</p>	<p>Open Teams in a web Browser (The Edge or Google Chrome work great).</p> <p>Do not open it in the Desktop App as this must be done online.</p>	
<p>2</p>	<p>Open the Reading Progress assignment in Teams.</p>	
<p>3</p>	<p>Right click on the video and click “Save Video As”.</p> <p>Save the video in OneDrive where you can find it (the name will end in .webm).</p>	
<p>4</p>	<p>Now open the student’s ePortfolio and start a post or open one that you have ready to place the video in.</p>	
<p>5</p>	<p>Click on Add Video or Insert Video > From Computer and navigate to your video.</p>	
<p>6</p>	<p>Your video should go into the portfolio. Click “Submit” when you are done.</p>
