

Cut the word cards up and put them in a bag/hat. Students draw a card and have to act out the emotion or personality trait for one minute, while their group or classmates try to guess their word in French.

Divide the class into teams and have the student act just for their own team, have the full class guess and reward students for guessing the correct word, or just play for fun!

Content(e)	Gentil(le)	Courageux / Courageuse
Triste	Intelligent(e)	Social(e)
Fâché(e)	Sportif / Sportive	Surpris(e)
Fatigué(e)	Travaillant(e)	Drôle
Fier / Fièrè	Timide	

There are some blanks at the bottom where you can add your own based on other words they know!
