**Tween Camp (10-  
12)  
1:30 - 4:30  
(\$400 per week)  
Session 1- Outdoor Adventure  
July 11 - July 14**

**Our community is filled with such amazing wild things in the outdoors. Campers will have fun learning about their part in their community and the environment while exploring the wonders of being outside. Using maps and learning how to survive outside, campers can be free and be one with nature.**

**Session 2 - STEM  
July 25- July 28**

**This week will be full of questions, theories, experiments, and results using the fields of Science, Technology, Engineering and Math (STEM) including building structures, testing ideas and learning in a fun and creative way.**

**Session 3 - Animal Lovers  
August 8 - August 11**

**Your pre-teens will choose a favored animal, research their life cycle, needs and products and then take a trip to a hobby farm to see their new knowledge in person, pet, feed and collect goods and ask the farmers questions.**

**Teen Camp (13+)**

**1:30 - 4:30**

**(\$400 per week)**

**Session 1- Outdoor Adventure**

**July 11 - July 14**

**Our community is filled with such amazing wild things in the outdoors. Campers will have fun learning about their part in their community and the environment while exploring the wonders of being outside. Using maps and learning how to survive outside, campers can be free and be one with nature.**

**Session 2 - Anime**

**July 25- July 28**

**Our teen will dive into the many worlds of anime. Invent, design and create a unique anime character along with props and profiles to then use as a character in a DnD-style Anime Role Playing Game.**

**Session 3 - Fantasy**

**August 8 - August 11**

**Wizard, Rogue, Elf, Dwarf and many more classes to discover during this week. Your teen will learn about the many classes of Fantasy character tropes through boardgames, crafts and literature. They will select one that they relate to, design and create a character and then team up in a DnD style Fantasy Role Playing Game.**
