

ARC- BC iPad Voice Dream Reader TECH TIP

Opening ARC-BC PDF files in Voice Dream Reader App on the iPad

ABOUT: In this activity, participants will learn how to use the visual settings and audio settings in the Voice Dream Reader app on the iPad with an ARCBC PDF file.

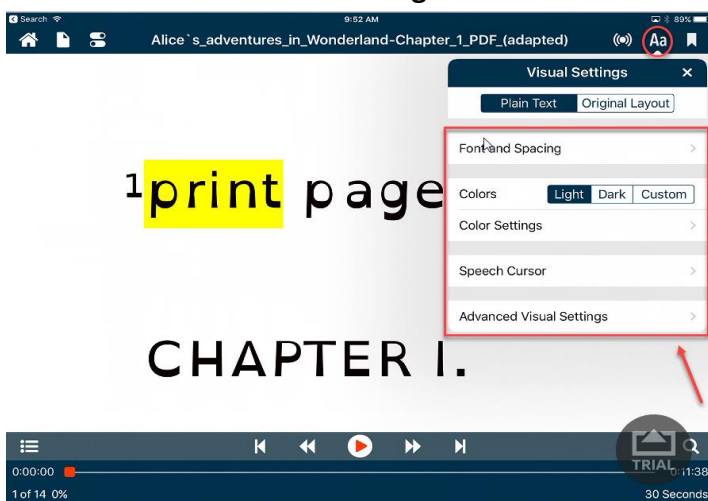

WHAT YOU WILL NEED: Download the app: [Voice Dream Reader App](#) on your iPad before you start. Download an [ARCBC](#) PDF file.

1 To change from the original layout to plain text on the visual settings, open a PDF book from the library and click **Aa** on the top right corner of the screen. Select **Plain Text**.

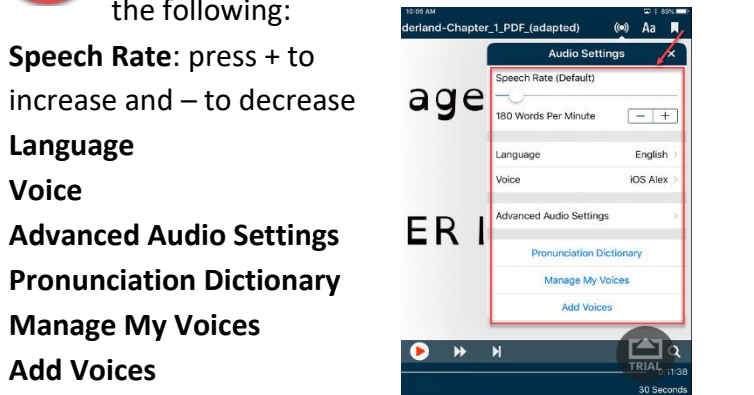

2 In the **Visual Settings**, you can make changes to the following:

- Font and Spacing
- Colours
- Colour Settings
- Speech Cursor
- Advanced Visual Settings

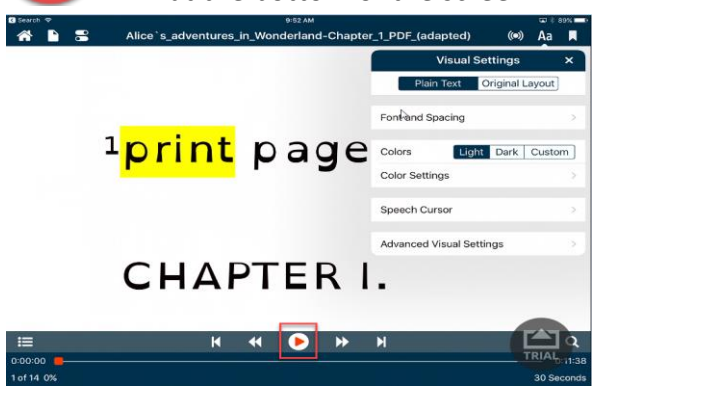

3 On the **Audio Settings**, you can make changes to the following:

- Speech Rate: press + to increase and – to decrease
- Language
- Voice
- Advanced Audio Settings
- Pronunciation Dictionary
- Manage My Voices
- Add Voices

4 To read the book, press the **Red Right Arrow** at the bottom of the screen.
