

SS to Grade 7 Colleagues:

Below are new LRC resources that are available to borrow. I have indicated if they are still available. If not, be sure to add them to your list of LRC resources to book when booking opens at the end of August.

Enjoy!

Joan

Invitation to play : loose parts: wooden petals and mandalas - set 1

**Van De Graaff demonstrator and accessories kit**

[Details](#)

Call #: SC 537.3 VAN  
Sublocation: Science  
Published 2023  
Interest Level: All Grades

Yes, you read it correctly. We now have our own hair-raising Van De Graaff generator! The Dynamic Carts, intended for Grade 6 Science are available. You will see the Van De Graaff listed, but it is in processing waiting for items to come in, so look for it in August.

**Rock it! : exploring the fascinating world of rocks through play and outdoor nature connection - set 1**

[Details](#)

Call #: KT 372.21 ROC  
Published 2023  
Interest Level: K-3

\*Both sets are

booked

The guide for this kit comes from Fairy Dust Teaching and objects have been added to enable you to do several of the activities in it with your students. Be sure to collect your own rocks outside!

The LRC has the large kit of each of the Tween sets, which have three copies of each title. These mini sets have one copy of each hi-lo title, targeted to Intermediate students with a reading level between 0.5 and 1.5. More sets have been ordered in anticipation of high demand in September. All three sets are booked.

[Rainbow ball run](#)

Interest Level: K-3

**Play enhancement: wooden vehicles**

[Details](#)

Call #: KT 372.1 PLA  
Published 2023  
Interest Level: K-3

The "Play Enhancement" kits are intended to augment your classroom resources, such as blocks etc., to increase the possibilities of imaginative play. Mythical Creatures and Realistic Animals are booked, but Wooden Vehicles are available. They are so nice to touch and smell!

A big thanks to Helena, Jana and Starsa who process these kits, and Heather who keeps track of the ordering/invoicing!
