

This is a Vancouver-based team of teen educators and some excellent resources they put together to share:

Consent And Respectful Discussions Team: <https://cardteams.com> & resources: <https://cardteams.com/resources/>

Sexual health educator Erica Scott has co-authored the book “Creating Consent Culture – a Handbook for Educators” which includes some good content (such as “no is a complete sentence” and “why hearing no is so hard”) as well as a long list of additional resources in Appendix 8. The books by Peggy Orenstein Boys & Sex and Girls & Sex are shocking reads about what it is like to grow up these days.

“Teaching your teen boys about consent”
