# IPAD IOS STUDENT LEARNING TOOLS

The built-in universal tools listed below will help ALL students access and engage in educational experiences on iPads/iPhones.

Comox Valley Schools
A Community of Learners
INNOVATIVE · INQUISITIVE · INCLUSIVE

Word Prediction Predictive Text

Suggested words will display above the onscreen Apple keyboard.

Settings / General → **Keyboard** → **Predictive** (On)
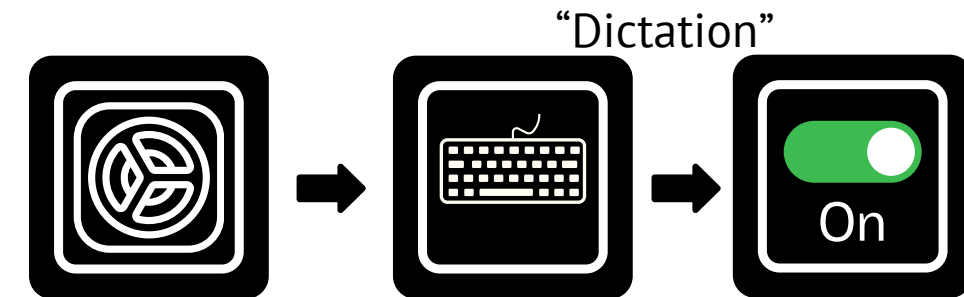

To turn on tap and hold to hear predicted word spoken:
- Settings
- Accessibility
- Spoken Content
- Typing Feedback
- Turn On "Hold to Speak Predictions"

https://t.ly/71ipad-predictive-text

Enable Dictation 🎤

Select microphone icon on Apple keyboard to use speech to text "Dictation"

Settings / General → **Keyboard** → **Enable Dictation/ Toggle On** (On)

NOTE: After a major update, Siri & Dictation will need to be re-enabled under "Allowed Apps"
