

Reader View in Safari

Reader View, often referred to as Reading Mode, appears as an icon in the top-left corner of your Safari search bar, and it reworks your webpage into a perfectly organized, ad-free layout to help you focus better on reading the content. You can even make some quick edits to a webpage through this feature.

Sub Heading		
1	<p>Open Safari app</p>	
2	<p>Go to an article on a website. <i>NOTE: Not all websites can be displayed in reader view.</i></p>	
3	<p>Tap AA tool in the URL Bar -> Show Reader</p>	
4	<p>Tap AA tool again to:</p> <ul style="list-style-type: none"> • Change Font Size • Change Font • Change Background Colour • Listen to Page • Hide Reader
