

SCENARIO 1: AI GRADING HOMEWORK

Description: The school has implemented an AI system to grade students' homework. AI can quickly assess assignments and provide instant feedback. Discussion Points:

- Is it fair for an AI to grade homework instead of a teacher?
- How might this affect students' learning and motivation?
- What if the AI makes a mistake in grading?

WHAT RULES AND GUIDELINES SHOULD WE HAVE IN OUR CLASSROOM TO ENSURE THAT ALLS USED RESPONSIBLY AND ETHICALLY BY EVERYONE?

Group Ideas:	

SCENARIO 2: AI COMPLETING AN ENTIRE ASSIGNMENT

Description: A student uses an AI tool to write an entire assignment for them. AI generates the content based on the topic and requirements provided by the student.

Discussion Points:

- Is it ethical for a student to use AI to write their entire assignment?
- How does this affect the student's learning and understanding of the subject?
- What are the potential consequences if the teacher finds out the assignment was written by AI?

Group response:			

WHAT RULES AND GUIDELINES SHOULD WE HAVE IN OUR CLASSROOM TO ENSURE THAT AI IS USED RESPONSIBLY AND ETHICALLY BY EVERYONE?

Group Ideas	

SCENARIO 3: AI CHATBOTS FOR HOMEWORK HELP

Description: Students use an AI chatbot to get help with their homework. The chatbot answers questions and provide explanations on various subjects. Discussion Points:

- How reliable is the information provided by the AI chatbot?
- Should students rely on AI for homework help, or should they ask teachers and parents?
- What if the AI gives incorrect or misleading information?

Group response:

WHAT RULES AND GUIDELINES SHOULD WE HAVE IN OUR CLASSROOM TO ENSURE THAT ALLS USED RESPONSIBLY AND ETHICALLY BY EVERYONE?

SCENARIO 4: AI FOR CREATING ART

Description: Students use an AI tool to create digital art for a school project. The AI can generate images based on the students' descriptions and preferences.

Discussion Points:

- Is it ethical to use AI to create art instead of making it by hand?
- How does using AI for art affect creativity and originality?
- Should students give credit to the AI when presenting their artwork?

Group response:

WHAT RULES AND GUIDELINES SHOULD WE HAVE IN OUR CLASSROOM TO ENSURE THAT ALLS USED RESPONSIBLY AND ETHICALLY BY EVERYONE?

Group Ideas:

SCENARIO 5: AI FOR WRITING ESSAYS

Description: Students use an AI writing assistant to help them write essays. The AI can suggest ideas, correct grammar, and even generate paragraphs based on the topic.

Discussion Points:

- Is it fair to use AI to help write essays?
- How might this impact students' writing skills and learning?
- What if the Al-generated content is not original or contains errors?

Group response:		

WHAT RULES AND GUIDELINES SHOULD WE HAVE IN OUR CLASSROOM TO ENSURE THAT AI IS USED RESPONSIBLY AND ETHICALLY BY EVERYONE?
