# ACADEMIC HONESTY & INTEGRITY WITH AI
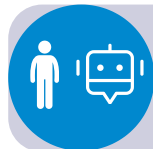

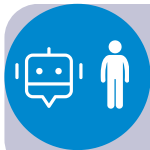

STUDENT created

I wrote all the assignment content without consulting AI or the internet. ☐

I consulted AI/internet for ideas, then wrote and submitted the assignment. ☐
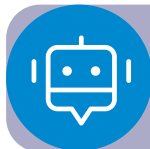

I generated a draft and AI offered feedback for improvement. ☐

I prompted AI for multiple responses, used the best parts, edited, and submitted. ☐

AI created a response. I read, edited, adjusted, and submitted. ☐

BOT created

I plugged a prompt into AI, copied the response and submitted it. ☐
