

Import Browser Settings into Edge

Now that SD71 has linked Edge to our personal profiles, we can access Edge and have our bookmarks/favourites available on any school district device. If you are a Chrome user and would like to import all of your browser information, follow the instructions below.

1	<p>Open Edge. Click on “...” top far right of window > “Settings”.</p>	
2	<p>Click on “Import browser data”.</p>	
3	<p>Select the browser you’ll be importing from. (Shown here is Google Chrome). Click “Import”.</p>	

4

Select your chosen browser again from dropdown (if not already selected).

If you have more than one profile connected to browser, select the one you'd like to be imported using the drop down arrow.

Check the boxes beside the information you'd like to be imported.

Click **“Import”**.

5

You will receive this message when you are done.

Check to see if your Bookmarks have been imported.
