

How to Export a Scholantis ePortfolio

Steps to Export:		
1	Open the student's ePortfolio using a computer (this doesn't work on phones).	
2	Click Export in the top right corner.	
3	Press the down arrow and select the grades that you would like to export. Note that you can press Ctrl + to select more than one grade (Command + on a Mac). Then click on Export .	
Steps to Open the exported ePortfolio:		
4	Locate the exported Zip drive in your downloads.	
5	After extracting the Zip file, open index.html to view the ePortfolio	

Navigating the Exported index.html
