Creating your First Class in SpacesEDU

You should get an email invite which you click on to load your class.

👉 Open the Edge browser and click on MyApps (either on your first page or under SD71 Bookmarks in the top right. Then click on the Spaces icon. Or visit www.spacesedu.com to log in. Select Canada as your region. Login using your SD71 email.

👦🏫 Click on a class that has been created for you. *(It will have your students automatically added to it).*

👄 Edit Class to change the *Name, Class Avatar, Class Settings and Family Activity Notifications.*

1. Click on the "**...**" then on "**Edit Class**"
2. Click on "**Edit Class Avatar**" to change the class icon
3. Change Class Name
4. You can't change the grades as they are set when your class is imported
5. Use the "toggles" to change
   Class Settings
   Curriculum Tags & Pinned Tags
   Family Activity Notification Settings
6. Save Changes

   NOTE: You can also edit the class once you're in the class by clicking on the "Settings Icon" on the top left of the win
