

# Family Notifications in SpacesEDU!

## Family Activity Notification Settings

Select notifications to enable below to notify family members of their student's activity completion status.

### Notify family when...

☒ Activity has been **assigned**

Teachers can toggle activity notifications for families in **Class Settings** ⚙️.

Some family notifications are **Read Only** 👁️, while others can be clicked to view the Post within the Class! 🖱️

•  Ms. Daniels added an activity for Vanessa to complete: Character Interview

☒ An Activity is **due soon** and the student has **not submitted**

•  Character Interview is due soon and is awaiting submission by Vanessa

☒ An Activity is **overdue** and the student has **not submitted**

•  Vanessa missed submitting Character Interview that was due on October 1, 2025

☒ A student's Activity submission is **posted** and is **visible** in its associated Space.

•  Ms. Daniels posted Vanessa's activity submission: Character Interview

### Character Interview

### Character Interview
