

Going to the Sensory Room at Valley View

We drive in the
car to go to
the Sensory
Room.

When we
arrive, we go
to the school
office to get
the key.

Then, we go to
the Sensory
Room
building.

This is the
sensory
room.

We use the
washroom.

Then we
hang up our
coats and
take off our
shoes.

We get our
schedule.

Then, we get
to do some
of the
activities.

Then it is
time to go.
We get our
coats and
shoes.

We lock the
door.

We return
the key to
the school
office.

We get back
in the car.

We drive
back to
school.

See you next
week,
Sensory
Room!
