

KnowBC is the digital version of the original Encyclopedia of BC. It is home to facts, photos, and general information about British Columbia, including full length novels, field guides for plants and animals, and more.

BC SPECIFIC

All the content is **uniquely specific to BC** and the US Pacific Northwest.

Locate important **BC Facts** including milestones and vital statistics.

ORIGINAL PUBLICATIONS

Find **research materials** and fiction and non-fiction works suitable for all ages.

Choose from **primary source documents** and images, and scholarly articles.

Additional **encyclopedic works** include *The Encyclopedia of Raincoast Place Names* and *Marine Life of the Pacific Northwest*.

FIELD GUIDES

Find a selection of **Field Guides** for a variety of unique-to-BC geology, plants, trees, and animals including birds, trees, insects, and shellfish.

Field Guides include **photos and descriptions**, and additional comments from researchers and authors.

INDIGENOUS CONTENT

Read **Indigenous-authored content** online, such as *Indian Horse* by Richard Wagamese (Gr. 9–12).

For novel evaluation, including considerations for use, see the K-12 Evaluated Resource Collection.
