

Designed for students in Grade 5–9, **Student** includes all the articles from World Book's print encyclopedias, plus thousands of additional articles and research tools. Complete with accessibility tools, **Student** helps to build well-rounded and engaged student researchers.

## EASY SEARCHING

Entering a **keyword term** results in an encyclopedia article. Searches also return **multimedia** such as images, charts, and tables.

**Advanced Search** enables students to search by word, phrase, date, and Lexile measure.

## ADDITIONAL CONTENT

**Current Events:** get the scoop! Break down the news and current events.

**Biography Center:** find 10,000+ biographies of leaders, inventors, artists, and more.

**Back In Time:** wonder at things that were important all the way back to the 1920s.

## EXPLORE THE WORLD

**Virtually explore** famous attractions through 360-degree photographs and videos.

Enjoy quick links to online Science and Math games, Maps and Atlases, and other **Featured Media**.

## EDUCATOR TOOLS

Support students with **How to Do Research**—get your students interested in learning how to search and process information.

The **Educator Tools** includes BC curricular connections as well as lesson plans and graphic organizers.
