

Alerts

Alerts are displayed in the column just to the Right of the student name. These are specific for each particular student. Below is a key for each alert:

Alert Icon	Category	Definition
	Medical Alert	Informs users about a student's life-threatening medical condition.
	Legal Alert	Informs users about certain legal situations such as child custody, safety or legal issues surrounding the student's family situation.
	Cross-Enrollment Alert	Indicates that a student is taking classes or receiving services at more than one school.
	Health Alert	Informs users about non-life threatening medical conditions.
	Information Alert	Provides users with any other informational alerts that may need to be known about the student.
	Family Alert	Informs users about information on a student's family situation that is not related to safety or legal matters.
	IEP	Student has an IEP on file. This can be accessed from the Student Top Tab > Documents Side Tab.
	Learning Disability	Learning disability has been identified but may or may not have an IEP.
	Daily Absence alerts	Informs the user that a student has been marked absent for all or part of a day.

To learn more information about what the alert means for that student, click on the icon located in the Student Demographics chart.

The below icon is located beside every student's name in the Breadcrumb line. This is more useful at the high school and middle school levels.

	Quick Status Alerts	This can be used to quickly view where a student currently is in the school, based on their schedule.
