

PREPARE PROMPTING

PROMPT

Tell the bot what you would like it to do:
"Create an image..."
"Write a paragraph..."
"Respond to..."

ROLE

Give the AI Chat bot a role "You are a graphic designer...", "You are a teacher in a high school with 30 students in your class..."

EXPLICIT

Give clear, detail oriented instructions "Mention this webpage..." "Add three pictures of..."

PARAMETERS

Length, tone, format... "It should be 3 sentences long, on letter sized paper, under 300 words, in a casual tone..."

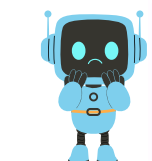

ASK

Ask AI to clarify any questions before it continues. "Ask me any questions you have about the task before you begin..."

RATE

Ask it to rate its own response. "Rate your response on how engaged students will be a scale of 1-5 with 5 being the highest."

EMOTIONS

Add an expression of your emotions and explain why it is important to you. "This is really important to me as it will help me in my job please do your best."
