

Student Guidelines for Safe Use of Artificial Intelligence (AI)

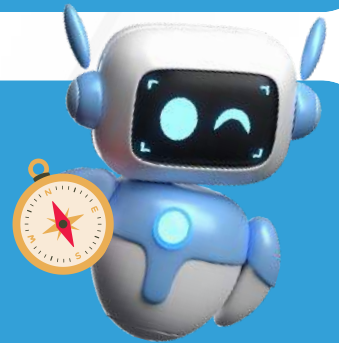

KEEP YOUR INFORMATION SAFE ➤

Don't share your personal information with AI.

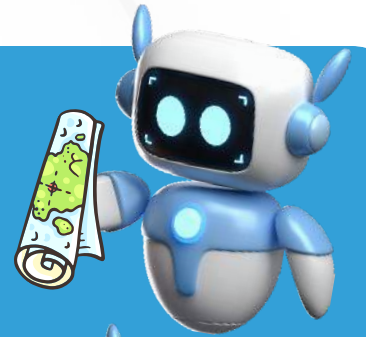

BE HONEST ➤

Use AI with teacher permission only. If you use it, don't pretend it's your own.

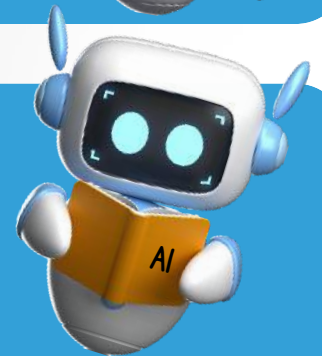

AI HELPS YOU LEARN ➤

AI is a useful tool but don't let it do all the work for you.

KEEP LEARNING ABOUT AI ➤

Stay curious about AI and ask questions.

CHECK AI ANSWERS ➤

AI can make mistakes and be unfair. Think and ask questions to check if it's true.
