Tools to Keep You Safe When Using AI

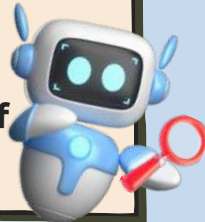

"Keep Learning About AI

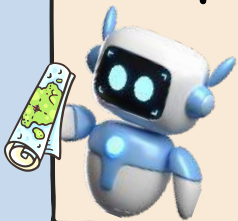

Stay curious about AI and ask questions.

"Check AI Answers

AI can make mistakes and be unfair. Think and ask questions to check if it's true.

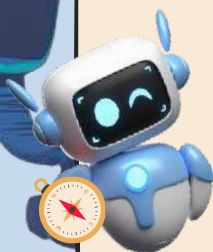

"AI Helps You Learn

AI is a useful tool but don't let it do all the work for you.

"Be Honest

Use AI only with teacher permission. If you use it, don't pretend it's your own.

"Keep your information Safe

Don't share your personal information with AI.
