

Grade 2 Literacy Assessment App

The link to the app is found on Learn71 under Assessments & Reporting> District Assessments > Literacy: <https://learn71.ca/assessment-reporting/district-assessments/>

***If you see a notification at the top of the app screen saying to refresh to the latest version click the small box that says refresh.*

1. Access:

Access was set up by using Grade 2 student's listed Division and Homeroom teacher in MyEd.

If you need access please include your Division and school in a HelpDesk ticket at: <https://ithelpdesk.sd71.bc.ca/new-ticket> under PowerApps

2. Home Screen:

- a. Select assessment Language
- b. Select season
- c. Click Enter Scores (optional: select component submitting scores for)
- d. Click on the **i** in the bottom right corner for more information.

3. Score Entry matrix:

- a. Enter a number between 0 or the maximum score for the category
- b. Spelling Screener – enter the # of words correct score separate from the total scoring for the feature.
