

How to Log in to your Hub71 Website

- 1 Type in the address of your Website: ex. hub71.ca/kdawson

- 2 Scroll down to the bottom of your page and click on the open-door symbol

- 3 If you are on a school district computer it should automatically log you in. If not, use your regular school district email address and password to log in.

4 Click on your page and you will be ready
